Battlefield extends win streak to 21 with long goal late against Patriot girls soccer

Battlefield's Kayla Hamric nearly scalped a referee instead of scoring the winning goal Monday.

The center referee saw it coming.
He saved his scalp by dropping to the
grass, face down,
as the ball dashed high over his body
en route to the top-left corner of the net,
giving Battlefield a 1-0 victory over the
Pioneers at home in Haymarket.
